

# Proposed membership fees for 2025

The English UK membership fee has two components: a basic and a supplementary subscription. The total fee depends on the size of each member's teaching operation, based on [student weeks](#).

Part-time student weeks are included in the fees. 'Part-time' students have less than 10 hours of ELT tuition in a week. They will be treated as 0.5 student weeks.

## Basic subscriptions

**The proposed basic subscription fee for 2025 will be £1,690.**

Very small centres will pay a reduced rate (see table below).

No. of student weeks	2024 rate (£)	Proposed rate for 2025 (+4%)
Under 250	£940	£980
